February 2023

*The season of 'Lent' is a season of hope. The word "Lent" derives from the middle English word "Lenten", meaning springtime - the time of lengthening days. A season that brings forth newness, liveliness, new birth, brightness with the appearance of daffodils and all that nature affords us as the dark days of winter fade away.*

*There are three main pillars of Lent:*

**Prayer:** *This has to do with our relationship with God. Giving of quality time to develop our relationship with God and remain connected to the God who is in relationship with each and every created thing in the universe.*

**Fasting:** *Fasting is a way to humble yourself in the sight of God. Psalm 35:13. There are different types of fasting, fasting from laziness, idleness and idle talks, bullying, disrespect and the likes.*

**Almsgiving:** *One who is gracious to the poor lends to the Lord, and the Lord will repay the person for the good deed. Proverbs 19:17. This could also include a demonstration of good neighbourliness; giving up time to be with the lonely, the sick, giving a listening eye, a smile, a helping hand*

*These three pillars of Lent call us to be with Christ with the hope of a renewal of relationship with Christ, self and humanity in different ways that would reflect good choices. "To deepen our knowledge of the Master, to fully understand and embrace the mystery of his salvation, accomplished in total self-giving inspired by love, we must allow ourselves to be taken aside by him and to detach ourselves from mediocrity and vanity" Pope Francis*

*The words of St. Jerome are very much related to what the season of Lent invites us to when he said "Good, better, best. Never let it rest. Until your good is better and your better best." This beautiful season of Lent, affords us the opportunity to reflect how good the journey has been, how better it could be, and how best it can become to the glory of God in union with humanity.*

# VOCATIONS IRELAND SPRING CONFERENCE

Our Spring conference which was held on 1<sup>st</sup> February in Mount St Anne's Conference and Retreat Centre was a great success. It was so good to see everyone in person once again. The theme was *'Crossing a Threshold to New Life: The Call to be Pioneers once again'*. The main speaker was Sr Lynn Levo CSJ PhD who joined us on zoom. Sr Lynn's video has been sent out to all participants at the conference. It will also be available on the members only section of our website.

The new number for the members only section is currently being sent out with the receipt from the subscriptions as they come in.

This section will be a resource section where we will upload any future video's, interesting articles and booking forms for webinars , conferences etc.

The good news is that I have now settled the date with Sr Lynn for her workshop on "Understanding, Assessing and fostering psychosexual integration" which will be held in Mount St Anne's from the 19th-24th September so please save the date. A flyer will be sent out shortly with full details for the workshop.

Thank you to the staff of Mount St Annes and also Carolanne Henry who facilitated the day.
